EXECUTIVE SUMMARY: The National Institute of Food and Agriculture (NIFA) requests applications for the FY 2011 formula grants authorized under section 3(d) of the Smith-Lever Act for the Expanded Food and Nutrition Education Program (EFNEP). Grants under this program are to assist all States in carrying out a program of extension activities designed to employ and train professional and paraprofessional aides to engage in direct nutrition education of low-income families and in other appropriate nutrition education programs. The amount available for this program in FY 2011 is \$67,417,186.

This notice identifies the objectives for EFNEP projects, the eligibility criteria for projects and applicants, and the application forms and associated instructions needed to apply for a FY 2011 EFNEP formula grant allocation. NIFA additionally requests stakeholder input from any interested party for use in the development of the next Formula Grant Opportunity (FGO) for this program. Please send questions or comments to Formula Grants Branch of the Office of Grants and Financial Management, NIFA/USDA, Stop 2271, 1400 Independence Avenue, SW, Washington, DC 20250-2271; fax: (202) 401-1804; or e-mail: formulagrantsquestions@nifa.usda.gov.

What's New for FY 2011?

The FY 2011 formula grant awards will be disbursed through the Automated Standard Application for Payment System (ASAP) operated by the Department of Treasury's Financial Management Service. Applicants must ensure ASAP recipient ID information provided on the SF 424 R&R (Research and Related) is correct as NIFA will use this information to certify funds in ASAP. NIFA will no longer move ASAP funds between institutional accounts. All FY 2009 and prior formula grant awards will continue to be disbursed via the Payment Management System (PMS) operated by the Department of Health and Human Services (DHHS). Applicants can receive instructions on how to access ASAP and how to inform NIFA, Financial Operations Division (FOD) of their account number to use to make disbursements, by emailing the ASAP Customer Service email box at ASAPCustomerService@nifa.usda.gov.

- There will be two submissions in FY 2011:
 - Initial – For an estimated amount based on the FY 2010 allocation amounts.
 - Final – Based on the actual appropriated amount (See Appendix A) for FY 2011 and actual formula distribution for FY 2011.
- The Application Package for the initial or final submissions will include:
 - Application for Federal Assistance (Standard Form (SF) 424 (Research and Related (R&R)) (Required)
 - NIFA Supplemental Information Form (Required)
NIFA will use the Supplemental Information Form to capture all necessary attachments for this initial submission of the SF 424 R&R application (via pdf attachment).
 - NIFA will be capturing the information for three key contacts, and each organization will determine who those individuals are.
 - Block 5 should reflect the person responsible for fiscal/financial issues.
 - The Authorized Representative (AR)¹ must have the authority to represent and bind the organization for any agreement.
 - The name of the Project Director will be reflected on the NIFA-2009, "Agreement Face Sheet", and it is suggested that the State Extension Director would be an appropriate person.
 - EFNEP 2011 5-Year Plan (as PDF attachment)
 - EFNEP Budget Sheet (as PDF attachment)
 - EFNEP Budget Justification Narrative (as PDF attachment)
- NIFA plans to issue all FY-2011 Formula Grants on the NIFA-2009 form. This form is also used to issue non-formula grants.

¹ Authorized Representative (AR) – the individual who is authorized to commit the awardee's time and other resources to the project, to commit the awardee to comply with the terms and conditions of the award instrument including those set out herein, and to otherwise act for or on behalf of the awardee institution or organization.

- For formula grants issued in FY 2011, the grantee is required to submit an **annual** SF-425, Federal Financial Report (this form consolidates and replaces four financial reporting forms, the SF-269, SF-269A, SF-272, and SF-272A). The grantee is NOT required to submit a **quarterly** SF-425 (the **quarterly** submission requirement, however, exists for previously issued grants with DHHS as the designated payment system).

PART I—FUNDING OPPORTUNITY DESCRIPTION

A. Legislative Authority and Background

Section 3(d) of the Smith-Lever Act provides that The Secretary of Agriculture may fund extension work in the several States, Territories, and possessions. Section 1425 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (as amended) (7 U.S.C. 3175) is also known as the Expanded Food and Nutrition Education Program (EFNEP). This law provides the basis for Federal funding for extension activities associated with disseminating the results of food and nutrition research performed or funded by the U.S. Department of Agriculture to enable low-income individuals and families to engage in nutritionally sound food purchase and preparation practices. Funding extends to EFNEP at State land-grant colleges established under the Morrill Act of July 2, 1862, as amended, and the Morrill Act of August 30, 1890, as amended, including Tuskegee University and West Virginia State University.

Section 7116 of the Food, Conservation, and Energy Act of 2008 (FCEA) amended Section 1425 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3175) to accomplish the following:

Notwithstanding section 3(d) of the Smith-Lever Act of May 8, 1914 (7 U.S.C. 343(d)) for administration, technical, and other services for coordinating the extension work of the Department and the several States, Territories, and possessions the remainder shall be allocated among the States as follows:

1. 1862 Institutions shall receive a base in an amount equaling their FY 1981 allocation.
2. Four percent (4%) shall be available for administrative expenses.
3. \$100,000 will be distributed to each 1862 and 1890 Land-Grant Institution including the University of the District of Columbia.
4. For fiscal year (FY) 2011, 12 percent of funds appropriated for EFNEP in excess of funds appropriated in FY 2007 will be allocated to the 1890 Institutions in an amount that bearing the same ratio to the population living at or below 125 percent of the poverty level (as prescribed by the Office of Management and Budget and as adjusted pursuant to section 673(2) of the Community Services Block Grant Act (42 U.S.C.9902(2))) in the State where the 1890 Institution is located; bears to the total population living at or below 125 percent of the poverty level in all States where 1890 Institutions are located; as determined by the most recent decennial census at the time when the appropriated amount first exceeds levels appropriated for EFNEP in FY 2007. This FY 2011 rate of 12 percent is to increase by 1 percentage point annually until FY 2014 – maxing out at 15 percent and remaining at that level for every year thereafter.
5. The remainder will be allocated to each State in an amount that bears the same ratio to the total amount allocated as the population living at or below 125 percent of the poverty level in the State; bears to the total population living at or below 125 percent of poverty level in all

States; as determined by the most recent decennial census at the time at which each such additional amount is first appropriated.

In FY 2007, the former Cooperative State Research, Education, and Extension Service (CSREES)² conducted a Grants.gov pilot for the solicitation of one of the Formula Programs, the McIntire-Stennis Cooperative Forestry Program. Under this pilot the institutions were required to submit a SF-424M Application (Cover Page Form), CSREES Supplemental Form, and Key Contacts Form through Grants.gov. Please note that this application package replaced the forms/information solicited previously by the CSREES Office of Extramural Programs and did not duplicate the information being collected under the Current Research Information System (CRIS). CSREES implemented this process for all CSREES Formula Programs in FY 2008. This process is necessary due to the mandated reporting requirements of the Federal Funding Accountability and Transparency Act (FFATA). Under this law, the U.S. Office of Management and Budget (OMB) is required to develop and maintain a public searchable data base for all Federal financial assistance awards, and Federal agencies are required to report specific data elements which will be collected via these applications (e.g., Dun and Bradstreet data Universal Numbering (D-U-N-S®) numbers, legal names of institutions, legal addresses, congressional districts, etc.). OMB makes this information available at <http://www.usaspending.gov>.

In FY 2011, NIFA will be requiring both an initial submission (based on the 2010 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act) and final submission (based on the actual appropriated amount for FY 2011 and the actual formula distribution for FY 2011). The initial and final submissions will require some EFNEP-specific forms.

Please note that the submission of this application package does not change the following:

- Delegated authorities of the State Extension Director;
- How funds are managed at your institution; and
- Indirect costs and tuition remission are unallowable costs.

Guidelines for the administration of this program are published as Chapter III, Financial Operations, of the Administrative Handbook for Cooperative Extension Work, which may be accessed at <http://www.nifa.usda.gov/business/awards/formula/manuals/coopextension.pdf>. Please note that any instructions in this FGO supersede policies and procedures identified in this manual. NIFA intends to revise this manual in FY 2011 and then promulgate administrative provisions for this program through rulemaking which includes a public comment period.

The Department of Defense and Full-Year Continuing Appropriations Act, 2011, (Pub. L. 112-10) provides \$67,417,186 for this program under section 3(d) of the Smith-Lever Act.

B. Purpose and Priorities

The purpose of this funding is to increase the impact of nutrition education disseminated to low-income families and youth in the 50 states, the U.S. territories, and the District of Columbia.

² On October 1, 2009, all authorities of the Cooperative State Research, Education, and Extension Service (CSREES) were transferred to the National Institute of Food and Agriculture per section 7511 of the Food, Conservation, and Energy Act of 2008 (Pub.L. 110-246).

PART II—AWARD INFORMATION

Please note that the EFNEP forms are not a part of the Grants.gov Application Package. EFNEP specific forms and instructions can be found on the EFNEP FGO Webpage http://www.nifa.usda.gov/nea/food/efnep/formula_grant.html. The EFNEP forms must be combined into one PDF file (multiple PDFs will not be accepted) and attached to the “Supplemental Information Form” under #8, the “Conflict of Interest List”. Please disregard the fact that it says “Conflict of Interest List”. To attach the PDF to the form, click on “Add Attachment,” and follow the instructions.

**A revised EFNEP 5-Year Plan only needs to be submitted as part of the “final” FGO if A) the EFNEP Coordinator/Director was asked to make changes to the plan which was submitted as part of the FY2011 “initial” FGO or B) the institution anticipates significant changes to what was submitted with their FY 2011 “initial” FGO package as a result of the actual allocation.*

See PART IV.B. for further information on completing the EFNEP PDF forms.

C. Project Types

Applicants should request funding equal to the amounts in Appendix A. NIFA will fund EFNEP in FY 2011 for approved EFNEP projects.

Projects should consist of employing and training professional and paraprofessional (peer educator) staff to engage in direct nutrition education and other appropriate nutrition education efforts with low-income families and youth. To the maximum extent practicable, peer educators shall be hired from the “indigenous target population.”

EFNEP serves two primary low-income audiences: 1) families (parents and other caregivers with primary responsibility for feeding young children) with young children; and 2) youth/children.

The objectives of EFNEP are to assist low-income families and youth in acquiring knowledge, skills, attitudes, and changed behaviors necessary for nutritionally sound diets and to contribute to their personal development and improvement of the total family diet and nutritional well-being.

Participation in EFNEP should result in:

- Improved diets and nutritional well-being of the total family;
- Increased knowledge of the essentials of human nutrition – particularly as reflected in the Federal Food Guidance System;
- Increased ability to select and buy food that meets nutritional needs;
- Improved practices in food production, preparation storage, safety, and sanitation;
- Increased ability to manage food budgets and related resources such as electronic benefit transfer cards from the Supplemental Nutrition Assistance Program (formerly the Food Stamp Program).

PART IV—SUBMISSION INFORMATION

A. Electronic Formula Grants Opportunity Package

Only electronic applications may be submitted via Grants.gov to NIFA in response to this FGO.

Prior to preparing an application, it is suggested that the State Extension Director or 1890 Administrator, or his or her designee, first contact an Authorized Representative (AR) to determine if the organization is prepared to submit electronic applications through Grant.gov. If the organization is not prepared, the AR should see http://www.grants.gov/applicants/get_registered.jsp for steps for preparing to submit applications through Grants.gov.

The State Extension Director or 1890 Administrator, or his or her designee, also must contact the institution's AR in order to be granted permission for the submission of applications through Grants.gov.
